INTELLIGENCE KNOWLEDGE CHECK

TRUSTED

File conversion service / Cloud utility

Unknown domain

freeconvert.com is a well-known online file conversion platform used by individuals and businesses for converting various document, image, and media formats. It has been operational for many years and is associated with legitimate cloud-based services. No known malicious associations or abuse reports are publicly linked to this domain.

SCAN EVIDENCE VERDICT

85 /100 **LOW RISK**

The domain freeconvert.com is a well-established, trusted file conversion service with a long registration history and no known malicious associations. The real-time scan confirms a valid SSL certificate, proper security headers, and no blocklist flags, aligning with its reputation. While some headers are missing, these are minor and typical for such services. Overall, the evidence strongly supports that this domain is legitimate and safe.

1. Maintain routine monitoring for any future reputation changes or emerging threats.
2. Ensure that security headers like Referrer-Policy and Permissions-Policy are implemented to enhance security posture.
3. Continue to verify SSL certificate validity periodically, especially as expiration approaches.
4. No immediate action required; the domain appears safe based on current evidence.
