INTELLIGENCE KNOWLEDGE CHECK

TRUSTED   **Brand/Corporate Website**   **Recognized entity**

myiq.com is associated with a legitimate company providing online reputation management and digital marketing services. It is a recognized commercial entity with no known ties to malicious activity or threat infrastructure based on historical data.

SCAN EVIDENCE VERDICT

85 /100   **LOW RISK**

Based on prior intelligence, myiq.com is a well-known, trusted brand operating in digital marketing and reputation management. The real-time scan confirms its legitimacy with a valid SSL certificate, a long registration age, and no known threat indicators on blocklists. Although some security headers are missing, this is typical for a commercial website and does not indicate malicious intent. Overall, the evidence supports a safe assessment consistent with its trusted reputation.

1. Maintain routine monitoring for any future threat intelligence updates related to myiq.com.

2. Consider implementing additional security headers such as HSTS and Content Security Policy for enhanced security.

3. No immediate action required; continue regular security hygiene practices.
